

Ukraine invasion – day 170

1 Zhyabrovka, Belarus: Blasts at military airfield, site of Russian Grave Stone radar and S-400 missile defence systems

2 Russia: Number of air strikes on Ukraine has doubled in a week

Iran supplying and training Russians in use of its *Shahed-129* and *Shahed-191* military drones

3 Donetsk Oblast: Ukraine aims to evacuate two-thirds of residents – some 220,000 people – before winter

4 Zaporizhzhia: UN calls for demilitarised zone around nuclear power plant as shelling continues

5 Saky: Aug 9 attack on airbase may indicate Ukraine has new long-range strike capabilities
