

Ukraine invasion – day 191

1 Kherson Oblast: Ukraine counteroffensive continues, but details on advance are scarce as Kyiv releases little information

2 Zaporizhzhya nuclear power plant: After gaining long-awaited access, team of IAEA experts plan to stay to carry out technical assessment

3 Black Sea: Ukraine's grain exports rise 53% from July to August, to 2.6 million tonnes

4 Novorossiysk: Ukraine complains to Turkey after learning that Russian freighter brought S-300 missile system from Syria through Bosphorus

5 North and East: Russian forces shell dozens of towns including Kharkiv, Ukraine's military says

6 Russia: Ukrainian civilians are being forcibly transferred to Russia, or other areas of Ukraine, Human Rights Watch says
