

Ukraine invasion – day 244

1 Kyiv: IAEA preparing to send inspectors to two sites after Kyiv requests expert mission to disprove Russian claims that Ukraine plans to use “dirty bomb”

2 Ukraine: Russia has lost at least 23 *Ka-52* attack helicopters since invasion – over 25% of in-service fleet, UK intelligence says

3 Luhansk: Ukrainians retake three towns west of **Kremenna**

4 Kherson: Russian forces begin partial withdrawal from northwestern region while preparing to defend **Kherson city**

Occupation authorities “inviting” all men remaining in city to join newly formed territorial defence units
