

# Ukraine invasion – day 247

**1 Kyiv:** Residents told of “sharp deterioration” in region’s electricity supply after Russian strikes targeted energy facilities

**2 Ukraine:** U.S. to provide additional \$275 million in military aid to bolster war effort in south, Washington says

**3 Zaporizhzhia Oblast:** Russian-installed authorities begin checks on residents’ mobile phones for what they call “propaganda”

**4 Kherson:** Much anticipated Ukrainian advance on city stalled due to poor weather, Ukrainian officials say
