

# Ukraine invasion – day 250

**1 Russia:** With “partial mobilization” complete and next conscription cycle starting Nov 1, Moscow appears to be preparing for spring offensive

**2 Kyiv:** Multiple missile strikes cut off electricity and mobile networks in parts of city. Kharkiv, Zaporizhzhia and Cherkasy also hit

**3 Odesa:** Moscow quits UN-backed deal allowing grain exports from Black Sea ports, sending global wheat prices soaring

**4 Sevastopol:** Russia’s Black Sea flagship, Admiral Makarov, and two other ships damaged by Ukrainian drone swarm attack
