

Ukraine invasion – day 251

1 Kyiv: Around 40% of residents left without water and 270,000 homes without power following massive wave of missile strikes

2 Kherson: Russian officials say they are extending evacuation zone from Dnipro river, repeating claims that Ukraine is preparing to attack **Kakhovka dam**

3 Black Sea: Twelve ships carrying 354,500 tonnes of food leave Ukraine's ports despite Russia's decision to pull out of UN-backed grain export deal

4 Ukraine: IAEA begins inspections at two nuclear facilities amid Russian allegations that Kyiv is producing "dirty bombs"
