

# Guide to COP27 conference

World leaders meet to discuss action on climate change at the UN summit in Sharm El-Sheikh, Egypt

**COP27**  
SHARM EL-SHEIKH  
EGYPT 2022

**Blue Zone: Sharm El-Sheikh International Convention Centre – UN-managed space where official negotiations take place**

**Green Zone: Peace Park Botanical Garden**  
– area run by Egyptian government and open to public

## ATTENDEES

More than 35,000 delegates, including U.S. President **Joe Biden** and over 100 other heads of state

**John Kerry:** U.S. climate envoy insists U.S. is open to compensate vulnerable countries for “loss and damage”, but U.S. and EU have historically blocked proposals over issue

**Sherry Rehman**  
Pakistan’s climate minister will press rich countries to compensate poor nations for costs of disasters

**Jennifer Morgan**  
Germany’s climate envoy, and former head of **Greenpeace**, will urge transition to clean energy

**Xie Zhenhua**  
China’s climate envoy. China halted climate talks with U.S. after **Pelosi’s** visit to Taiwan

**Vanessa Nakate**  
Ugandan activist will exhort financial help for Africa, which faces some of worst impacts of global warming

■ Global temperatures have risen **1.1°C**. Likelihood of catastrophic climate events increases significantly beyond **1.5°C** threshold

■ Constraining warming to **1.5°C** will require all nations to cut emissions faster and deeper than they are already doing
