

Ukraine invasion – day 264

Nov 14, 2022

1 Kherson Oblast: *President Zelenskyy* accuses Russian soldiers of multiple war crimes

“Severe” humanitarian situation in city due to lack of water, food and medicine, plus thousands of Russian mines and unexploded shells

2 Melitopol: Men being forcibly mobilized in Russian-occupied city

3 Donetsk Oblast: Russian offensive expected to intensify as additional mobilized troops and forces withdrawn from Kherson arrive
