

Rising death toll from Iran protests

Iranian security forces have killed more than 300 people in protests that have grown into a mass movement against the theocratic regime

IRAN DEATH TOLL BY PROVINCE (as of Nov 12, 2022)

Total deaths: At least 326 people, including 43 children and 25 women, killed by security forces*. About 15,000 people detained, rights groups say

Mass demonstrations triggered by Sep 16 death of **Mahsa Amini** (right) in morality police custody

*Minimum number of deaths. Actual number of people killed is certainly higher
