

Ukraine invasion – day 271

Nov 21, 2022

1 Russia: Moscow and Tehran are believed to have agreed a plan to build hundreds of Iranian-designed weaponised drones in Russia

2 Svatove: Russia forming defensive positions in its most vulnerable flank as weather deteriorates, predicting large-scale Ukrainian offensive

3 Zaporizhzhia NPP: IAEA to inspect nuclear plant after shelling damages buildings and equipment, and calls for nuclear safety and security zone

4 Donetsk Oblast: Russia launches some 400 artillery strikes and increases missile attacks in effort to deplete Ukrainian air defences
