Sevastopol

1 Romania: NATO foreign ministers meet in Bucharest, pledging “military aid, intelligence sharing and financial support” for Ukraine

2 Ukraine: UN reports over 17,000 civilian casualties since Feb 24, including 6,655 killed, mostly by wide-area explosive weapons

3 Russia: New MoD controls on import of dual-use (non-military and military) goods undermining civilian campaigns to provide direct support for recruits

4 Bakhmut: Russia claims capture of surrounding villages but has yet to achieve major breakthrough
