

Ukraine invasion – day 293

Dec 13, 2022

1 Belarus: Carries out unannounced inspection of troop readiness amid fears it could be dragged into war

2 Ukraine: Calls on West to supply Patriot missiles to protect energy infrastructure, with new wave of refugees expected to flee harsh winter conditions

3 Svatove, Kreminna: Russian counteroffensives allegedly reclaim significant territory

4 Melitopol: Attack on bridge vital for Russian supplies blamed on “Ukrainian terrorists”. Exiled mayor claims Russian troops are “panicking” following recent attacks
