

# Ukraine invasion – day 294

Dec 14, 2022

**1 Kyiv:** Five buildings hit in two waves of attacks by Iranian-made Shahed drones – 13 shot down

**2 Ukraine:** U.S. finalising plans to supply Patriot missile systems to defend energy infrastructure. Moscow likely to view move as escalation

**3 Russia:** Israeli intelligence reports Iran is limiting range of missiles sold to Moscow, fearing UN sanctions if range exceeds 300km

Russia is using missiles transferred from Ukraine in 1990s in deal that recognised territorial integrity
