

Ukraine invasion – day 310

Dec 30, 2022

1 Ukraine: Russia launches 69 cruise missiles and multiple drones at critical infrastructure targets – around 15 missiles penetrate defences

2 Belarus: Makes formal protest to Ukraine after S-300 air defence missile shot down over its territory

3 Russia: Air defences at Engels strategic bomber base shoot down suspected drone

European gas prices fall to pre-war levels despite cut in imports from Russia and drop in Russian pipeline exports to post-Soviet low
