

UK support for Brexit wanes

Mayor of London **Sadiq Khan** believes the government is in “denial” about the “immense damage” Brexit is doing to the UK, as a recent poll shows falling support for its withdrawal from the EU

POLL OF UK RESIDENTS: In hindsight, do you think Britain was right or wrong to vote to leave European Union (on Jan 31, 2020)?

Jan 12, 2023: Mayor of London Sadiq Khan attacks UK's decision to leave European Union, saying: ***“I simply can't keep quiet about the immense damage Brexit is doing. After two years of denial and avoidance, we must now confront the hard truth: Brexit isn't working”***

*January 4-5, 2023: 1,709 UK respondents aged 18 years and older
