

Ukraine invasion – day 324

Jan 13, 2023

1 Poland: Announces plans to send 10 German-made Leopard tanks to Ukraine. France plans to supply light battle tanks by March

2 Belarus: Ukraine warns of possible missile attacks from Belarus. Russian commander inspects combat readiness of joint ground force

3 Russia: *Valery Gerasimov* replaces *Sergey Surovikin*, only installed in October, as Chief of General Staff in leadership shake-up

4 Soledar: Russian forces claim full control of salt-mining town, but pockets of resistance remain. Up to 600 civilians still trapped
