

Private jet use soars around Davos

Environmentalists accuse world leaders and business chiefs of hypocrisy as they fly to the *World Economic Forum (WEF)* on private jets to discuss, among other things, climate change

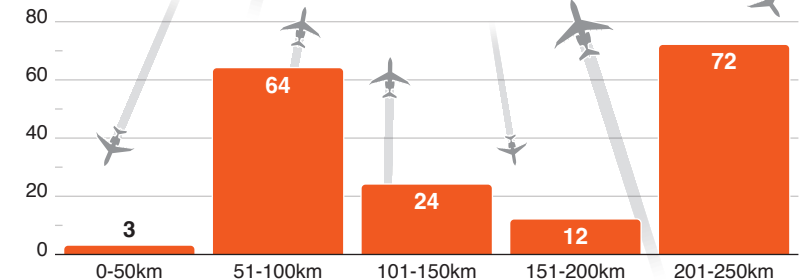

AIRPORTS IN VICINITY OF DAVOS (known to be used during WEF)

NUMBER OF FLIGHTS DURING AND AROUND WEEKS OF WEF 2022 (with average distance and total CO₂ emissions in kilotonnes)

NUMBER OF ULTRA-SHORT HAUL FLIGHTS DURING WEF 2022 (within range of 0-250km)
