

# Ukraine invasion – day 338

Jan 27, 2023

**1 Ukraine:** Russia launches 55 missiles and 24 drones in massive attack following announcement that Kyiv will receive German **Leopard 2** and U.S. **Abrams** tanks

**Lockheed Martin** ready to ramp up **F-16** fighter jet production for possible transfer to Ukraine by western allies

**2 Russia:** U.S. declares private military **Wagner Group** a “significant transnational criminal organisation” and sanctions its support network

**3 Donbas:** Russia launches offensive in **Kreminna** and advances on outskirts of **Bakhmut**, but ground attacks on town repelled
