

Trust in Israel's top court

After months of mass protests, Prime Minister Benjamin Netanyahu has delayed his government's controversial Supreme Court reform plans until the next parliamentary session

◀ **Benjamin Netanyahu:** On trial for bribery, fraud and breach of trust. He denies all charges. Says his aim is to restore balance of power between government and Israel's top court

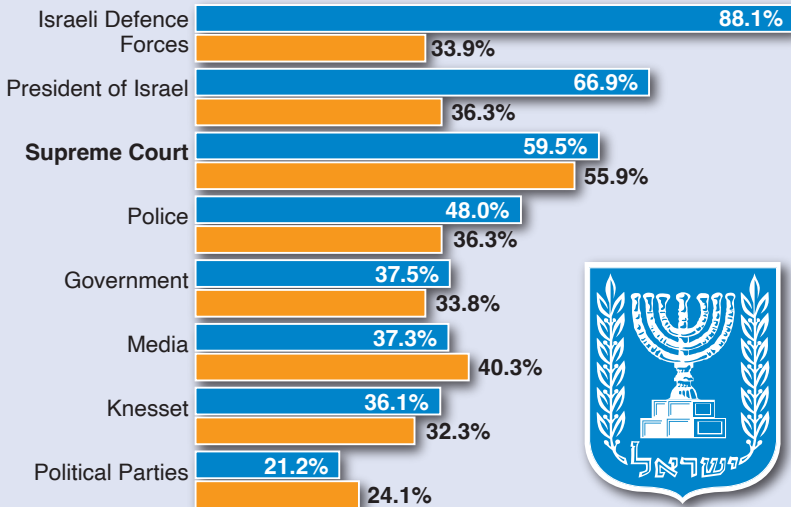

▶ **Yoav Gallant:** Defence minister sacked after speaking out against reform plans

Public trust in state institutions (2003-22)
