

# St Petersburg bomb

A blast in a cafe in St Petersburg, previously owned by Yevgeny Prigozhin, who runs the Wagner mercenary group, killed pro-war Russian military blogger Vladlen Tatarsky and wounded 32 others

■ **Tatarsky:** Real name **Maxim Fomin** (above left), had more than 560,000 followers on his Telegram messaging app channel

■ **Prigozhin** (above right): Was attack a warning as his Wagner mercenaries fight to seize Ukrainian city of Bakhmut?

■ **Daria Trepova** (left): Detained over killing. 26-year-old previously detained for taking part in anti-war rallies

■ **Darya Dugina** (right): Daughter of ultra-nationalist Russian, killed in car bomb in August 2022
