

# Ukraine invasion – day 432

May 1, 2023

**1 Ukraine:** 15 of 18 Russian missiles in wave of attacks shot down

U.S.-supplied Patriot missile defence now operational and second delivery of German IRIS-T surface-to-air missile system confirmed

**2 Russia:** Highest-ranking general in charge of logistics replaced after just seven months

**3 Bakhmut:** Wagner Group chief Yevgeny Prigozhin warns troops have only 15% of ammunition needed

**4 Zaporizhzhia Oblast:** Russia will launch offensive in south if expected Ukrainian counter-offensive fails

**5 Sevastopol:** Ukraine military claims oil depot fire after drone attack is part of preparation for offensive
