

U.S. braces for large migrant influx

Thousands of migrants are waiting to cross into the U.S. from Mexico amid confusion following the expiration of the Trump-era *Title 42* policy, which allowed illegal migrants to be rapidly expelled

MONTHLY U.S.-MEXICO BORDER ENCOUNTERS (Jan 2020-Mar 2023)

May 11: Title 42 immigration policy ends, to be replaced by *Title 8*, which allows migrants to apply for legal pathways to enter U.S., but can also bring harsher consequences for those crossing illegally, such as being deported and barred from U.S. for **five** years
