

Ukraine invasion – day 509

1 Belarus: Army receiving training from newly relocated Wagner troops

2 Russia: President Putin says he regards use of cluster munitions as criminal but may deploy them in “reciprocal action”. Both sides are believed to have already used them

3 Belgorod: Ukraine shells border villages with Grad rockets

4 Odesa: Black Sea grain deal set to expire Monday unless Russia agrees to extension

5 Sevastopol: Russia claims to have foiled attack by aerial and underwater drones

6 Kerch Bridge: Two blasts on vital Russian supply link kill two people, leaving road split and leaning
