

# UK support to rejoin EU passes 50%

More than half of Britons would vote to rejoin the European Union for the first time since the country decided to leave the bloc seven years ago, a survey from pollsters YouGov shows

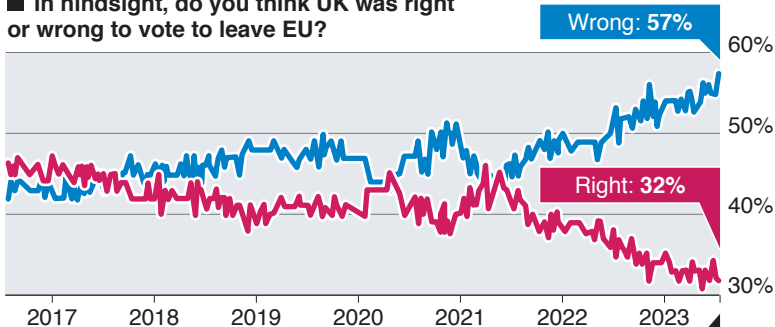

■ If there was a referendum now on whether UK should or should not rejoin EU, how would you vote?

2023: 51% in favour – rise of 11 points since Jan 2021, when Brexit formally took place

■ In hindsight, do you think UK was right or wrong to vote to leave EU?

Jul 14, 2023: One in five Britons who voted to leave EU in Jun 2016 now say it was wrong decision

YouGov poll of 2,151 people, Jul 13-14
