

U.S. Congress holds UFO hearings

Three witnesses have testified under oath to the U.S. House of Representatives about their experiences with UFOs, or as they are called today, *Unidentified Anomalous Phenomena (UAPs)*

David Grusch: Ex-Air Force intelligence officer, claims U.S. has secret programme to retrieve UAPs. Says ***"Biologics [life forms] came with some of these [UAP] recoveries"***

Ryan Graves: Former Navy fighter pilot, testifies his squadron encountered flying objects, which could remain stationary in high winds, off Atlantic coast ***"every day for at least a couple years"***

David FAVOR: Retired Navy commander recalled 2004 encounter with ***Tic Tac*** shaped UAP that moved in way that baffled aviators – footage of which was released in 2017

U.S. MONTHLY REPORTED UAP SIGHTINGS
