

Ukraine invasion – day 520

Jul 28, 2023

1 Ukraine: European Commission has no money to help Kyiv export grain after collapse of Black Sea deal

Vladimir Putin offers to provide free grain to allies Burkina Faso, CAR, Eritrea, Mali, Somalia and Zimbabwe at Russia-Africa summit

2 Odesa: Port hit by Russian Shahed drones and Kalibr cruise missiles

3 Staromaïorske: Village in Donetsk region recaptured by Ukrainian forces

4 Russia: Ukrainian drone downed before reaching target near Moscow

China is providing Moscow with military and dual-use technology, according to U.S. intelligence, and has increased imports of Russian oil and gas rerouted from Europe
