

# Ukraine invasion – day 530

Aug 7, 2023

**1 Kyiv:** President Zelensky praises U.S. *Patriot* and German *IRIS-T* air defences as “highly effective” after 65 missiles and 178 assault drones downed in past week

**2 Russia:** Air defences shoot down hostile drone approaching Moscow

**3 Western Ukraine:** Russian claims to have hit military airbases in multi-wave assault

**4 Crimea:** Ukraine strikes two key road bridges to peninsula, forcing transport to be rerouted via longer western route at Armyansk
