

Ukraine invasion – day 562

Sep 8, 2023

1 Ukraine: Upgraded air defences installed to protect power grid from second winter of Russian attacks

2 Romania: No evidence of deliberate Russian attack after drone debris found near Ukraine border

3 Russia: Says U.S. responsible for health risks of depleted uranium shells supplied to Ukraine

4 Luhansk, Donetsk, Zaporizhzhya, Kherson Oblasts: “Sham” elections in occupied regions criticised by U.S.

5 Kupiansk: Russian offensive makes no territorial gains

6 Verbove: Ukrainian forces advance to northwest outskirts, U.S. suggests upcoming Russian defences may be weaker than those breached
