

# New Nintendo console rumours

Rumours of an announcement on Nintendo's *Switch 2* console are gathering pace, with reports of demos being shown to select developers behind closed doors

## SWITCH 2 TECHNICAL SPECIFICATIONS

**Power:** Rumoured **Nvidia T239** system-on-a-chip, giving console comparable performance to **PS4** or **Xbox One** consoles

**Aug 2023:** Prototype shown to trusted game developers, running Epic Games' **The Matrix Awakens** Unreal Engine 5 tech demo

Mock-up of how Switch 2 could look

**Display:** **LCD** rather than **OLED** to help keep costs down

**Games:** AAA titles such as **Call of Duty** could run on Switch 2

## LIFE CYCLE TIMING IS RIGHT

60 million unit sales

**New consoles launched as old ones decline**

**May 2023:** Nintendo tells investors there will be no Switch 2 in fiscal year 2024\*

**Apr-Dec 2024:** Likely launch window for Switch 2
