

Hope for felled “Robin Hood Tree”

The UK's *Sycamore Gap* tree, a world-renowned landmark growing along Hadrian's Wall, that was felled in an act of vandalism, has a healthy stump and may not die, according to the National Trust

Happier times:

Tree is believed to be around **300** years old

Hadrian's Wall

Sep 28, 2023:
Felled during night

SURVIVAL

Process known as **coppicing** could see tree stump grow again

Stump is healthy

Shoots will regrow from dormant buds, but will be bushy
