

Israel warns of “complete siege”

October 10, 2023

Israel has threatened a total siege of Gaza and says the border has now been secured, but attempted incursions continue

1 Arab al-Aramshe: Five militants killed after incursion from Lebanon

2 West Bank: *Lion's Den* militia, funded by Hamas, attacks Israelis

3 Israel: Over 900 dead, 2,400 wounded. IDF says bodies of 1,500 militants found near Gaza border
IDF activates 300,000 reservists. 35 battalions at Gaza border

4 Gaza Strip: IDF hits 200 targets overnight – death toll around 700
137,000 people in UN emergency shelters, 180,000 displaced
Hamas warns it will start to execute Israeli hostages – estimated to number 100-150 – if air strikes continue without warning

5 Rafah: Egyptian border closed
