

Progress made in India tunnel rescue

Rescuers attempting to reach 41 construction workers trapped in a highway tunnel in the Indian Himalayas have succeeded in delivering warm food and medical supplies

Nov 12: Cave-in traps **41** construction workers. **10cm** pipe drilled into tunnel to supply oxygen, snack foods and water

■ **Nov 17:** Drilling of escape tunnel (*above*) paused amid fears of another rockfall

Nov 20: 15cm pipe completed. Small camera films workers (above inset), who receive first hot meals
