

Israel-Hamas war, day 77

1 Gaza: U.S. approves draft UN resolution to boost flow of humanitarian aid and enable “sustainable cessation of hostilities”

World Food Programme warns entire population faces acute food insecurity – 576,000 at risk of starvation

2 Egypt: Reports say Israeli PM Netanyahu was rebuffed after asking U.S. to pressure Cairo to take in Gaza refugees at start of war

3 Red Sea: Twenty countries join coalition to protect shipping from Houthi attacks
