

# 2024: World's biggest election year

This year will see the largest number of national elections in history, with more than 70 countries\* going to the polls – affecting around half the world's population

## HAVE YOUR SAY

Population of countries with elections that year (*billions*)

\*National/federal elections scheduled to be held in 2024 in all sovereign states and their dependent territories. Includes national referendums but excludes by-elections
