

# U.S. pushing to pass TikTok bill

U.S. lawmakers are pressing ahead with a bipartisan bill that could force TikTok's Beijing-based owner **ByteDance** to sell the platform or see it banned in the United States

## BIGGEST TIKTOK USERS BY COUNTRY, 2024 (millions)

Former president **Donald Trump** attempted to ban TikTok in 2020 but has changed course, arguing ban would give unfair advantage to **Facebook**, which he considers “enemy of the people”

Trump recently met with billionaire businessman and GOP donor **Jeff Yass**, who has major stake in TikTok
