Event ☒ Medal ☒

Raised lip (aka coping): Skaters
can grind along
on **trucks** or
grip on with
hands

Smooth, wide
surfaces allow
skaters to build
up speed for
mid-air tricks

▲ PARK

Course: Bowls, bends and
obstacles

Skater: 3 x 45 second runs to display
best tricks as five judges mark them
on difficulty, execution, originality
and fluidity

◀ STREET

Course: Resembles urban area with
stairs, handrails and benches

Skater: 2 x 45 second runs to display
best five tricks as five judges mark
them on use of course, difficulty,
execution, variety and speed
