

# English Premier League 2024-25

AUGUST 16, 2024 - MAY 25, 2025

The 33rd Premier League season kicks off with Manchester City aiming to defend their title after clinching the trophy by two points, ahead of Arsenal, on a dramatic final day in May

## Managerial evolution

Five teams will begin season with new coaches eager to impress, including **Arne Slot** taking control at Liverpool. The Dutchman enters Anfield after impressive three-year tenure at Feyenoord, winning Eredivisie title and developing attractive style of play

SEMI-AUTOMATED OFFSIDE

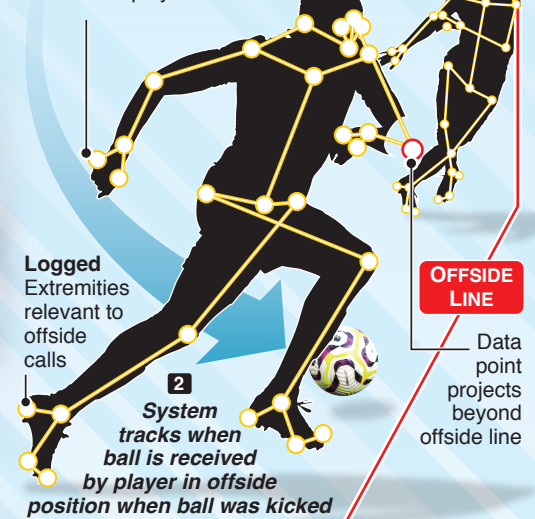

Clubs approved unanimous use of new technology in April, set to reduce length of offside decision making by 31 seconds

1 12 cameras in roof track positions of ball and all players 50 times/second

PLAYER POSITIONS Artificial Intelligence Assigns and tracks up to 29 data points for each player

Defender Furthest data point defines offside line

Logged Extremities relevant to offside calls

2 System tracks when ball is received by player in offside position when ball was kicked

3 Offside alert triggered and validated in Video Operation Room

4 Decision communicated to referee
