

# Massive Russian strikes hit Ukraine

Russia has targeted Ukraine with another wave of deadly strikes, a day after one of its biggest air attacks of the war

**Aug 26:** Russia fires more than 200 missiles and drones, killing at least seven people and damaging energy infrastructure, causing blackouts and water outages

**Aug 27:** Missile and drone attacks across Ukraine kill at least five people – two in strike on Kryvyi Rih hotel and three more in drone strikes on Zaporizhzhia
