

# UN vote on call to end Israeli occupation

The Palestinian-drafted resolution introduced to the UN General Assembly demands that Israel end its “unlawful presence” in Gaza and the occupied West Bank within 12 months

*Adoption of resolution will isolate Israel as Prime Minister **Benjamin Netanyahu** prepares to address General Assembly in New York on Sep 26*

- Palestinian territory (Oslo Accord Areas A and B)
- Palestinian built-up area
- Israeli control (Area C)
- Israeli settlement
- Israeli outpost
- Green Line (1967 border)
