

New Tomb discovered in Petra

Archaeologists have unearthed a secret tomb in front of the *Treasury* – an elaborate 2,000 year-old mausoleum carved into a sandstone cliff in the ancient and mysterious city of Petra, Jordan

Treasury, also known as *al-Khaznah*, is a popular movie location, most famously depicted in *Indiana Jones and the Last Crusade* (1989)

2003: Burial crypt discovered and excavated

2024: New tomb discovered next to crypt

 Findings can be viewed in full in new episode of Discovery Channel's *Expedition Unknown* (season 14, episode 1)
