

# What Trump's victory means

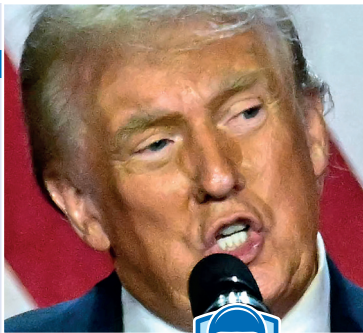

Policymakers are preparing for Donald Trump's return to the White House, with both his allies and detractors having made clear his second term will look nothing like the first

## ECONOMY

**"End inflation."**

Scrap taxes on tips, Social Security benefits and overtime pay. Tariffs of **10% to 20%** on imports of foreign goods – **60%-plus** tariff on imports from China

## CLIMATE

Promise to quit

**Paris Agreement.**

World's second biggest-emitting country will no longer have to submit national climate action plan to United Nations every five years

## ENERGY

**"Drill, baby, drill."** Boost oil and gas extraction. Ship more fossil fuels abroad. Threat to scrap **Inflation Reduction Act** – \$468 billion plan for clean tech, hydrogen and renewable energy

## UKRAINE

**End conflict**

**"within 24 hours"** through negotiated peace deal with Russian President **Vladimir Putin**

## HEALTH

Changes

planned for **Affordable Care Act (Obamacare)**, replacing it with better programme

## IMMIGRATION

Promise of biggest mass deportations of undocumented migrants in U.S. history. Pledge to complete building wall at border with Mexico

## ABORTION

Veto federal

ban, leaving power with states to decide their own laws on abortion
