

Russia, Ukraine agree Black Sea ceasefire

The two warring sides struck separate deals with the United States after three days of peace talks in Saudi Arabia

CEASEFIRE AGREEMENT

■ Ensure safe navigation, eliminate use of force, and prevent use of commercial vessels for military purposes in Black Sea

■ Work towards implementing ban on strikes against energy facilities in Russia and Ukraine

■ As part of U.S. deal with Russia, Washington is committing to help Moscow sell its grain and fertiliser products on world market – move criticised by Ukraine

■ Ukrainian President **Volodymyr Zelenskyy** (left) says truce is effective immediately but Russian President **Vladimir Putin** (right) wants some Western sanctions lifted first
