

FIFA Club World Cup trophy

Set to be presented at the final on July 13, the new FIFA Club World Cup trophy epitomises the pinnacle of club football achievement

ORIGINAL TROPHIES: 2000-2023

► Inaugural **FIFA Club World Championship** trophy, created by Italian designer **Sawaya & Moroni**

◀ Trophy is remodelled for 2005 showpiece by renowned silversmiths **Thomas Fattorini Ltd.**

Features mix of gold, silver and bronze – stands 50cm tall to reflect prestige of tournament

◆ Design includes six curved columns representing each continental confederation, rising to support golden globe symbolising global football unity

FIFA CLUB WORLD CUP TROPHY: 2025

◆ Designed by FIFA, crafted in collaboration with U.S. luxury jeweller **Tiffany & Co.**

► Trophy is 24-carat gold-plated vermeil and blends innovation with tradition

◆ State-of-the-art mechanism transforms trophy from shield design into dynamic multifaceted, three-dimensional orbital structure

Celestial Inspiration

◆ Advanced five-axis laser-engraved text and intricate patterns adorn central surface. Inspired by the periodic table, astronomy and space travel's historic **Voyager Golden Records**
