

Trump's birthday military parade

Plans to combine the U.S. Army's 250th anniversary and President Donald Trump's 79th birthday with a military parade in central Washington DC are being criticised as an authoritarian display of power

■ **Jun 14:** Total cost of celebrations, which have been altered to include parade at president's request, could reach up to **\$45 million**

■ Parade will include more than **6,500 troops**, **150 military vehicles** – including **28 M1 Abrams** tanks – as well as **50 helicopters** and aircraft representing different wars
