

BRICS seeks to fill void left by Trump

As Trump withdraws from global leadership, BRICS nations meeting in Brazil step in to champion free trade and multilateralism, positioning themselves as new defenders of the values once upheld by the U.S.

BRICS TRADE (\$ millions, 2015-24)

2021-24: Trade among BRICS core members* grows **40%** to **\$740 billion** per year, despite divisions among countries
