

Death toll rises after Texas floods

Central Texas is grappling with the grim aftermath of flash floods that have killed more than 80 people across the U.S. state

Kerr County: Worst affected area – at least 40 adults and 28 children killed

Above: Flood waters along Guadalupe River on July 4

Camp Mystic: Girls' summer camp deluged after river rose 8m in 45 minutes. Rescuers searching for 10 missing girls and one counsellor

State-wide toll: At least 82 people killed and 41 unaccounted for (as of Jul 7). More people could be missing
