

Famine “playing out” in Gaza

The “worst-case scenario of famine” is unfolding in Gaza, according to an alert issued by the Integrated Food Security Phase Classification (IPC), a UN-backed hunger monitor

FOOD CONSUMPTION

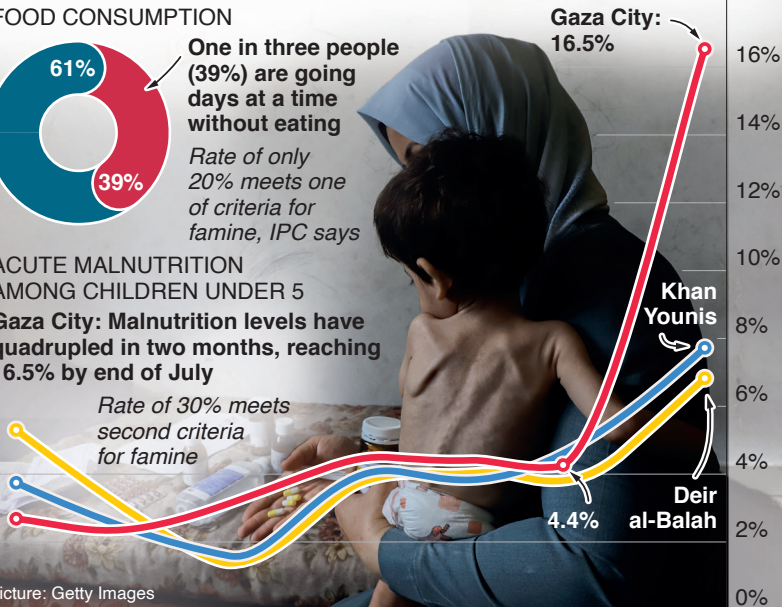

One in three people (39%) are going days at a time without eating

Rate of only 20% meets one of criteria for famine, IPC says

ACUTE MALNUTRITION AMONG CHILDREN UNDER 5

Gaza City: Malnutrition levels have quadrupled in two months, reaching 16.5% by end of July

Rate of 30% meets second criteria for famine
