

Trump tariffs plateauing

U.S. President Trump's steep tariffs on nearly all goods imported into the United States appear to be reaching their economic and political peak – averaging at around \$30 billion in revenue every month

U.S. MONTHLY CUSTOM DUTY RECEIPTS (\$ billions)

GROSS ANNUAL TARIFF (AND EXCISE TAX) REVENUE (\$ billions)

Six months of increased tariffs in 2025 have earned almost as much as those from entirety of Trump's first term in office (four years)
