

Trump's campaign against "drug boats"

The U.S. has reportedly carried out 20 strikes since September on vessels near Venezuela and in the eastern Pacific, killing at least 75 people as it escalates its military buildup in the Caribbean Sea

RAPID MILITARY BUILDUP

U.S. ships in Caribbean by displacement (Thousands of metric tonnes)

† Also includes military personnel permanently stationed in Caribbean region, mostly on Puerto Rico and at Guantanamo Bay, Cuba
