

DR Congo and Rwanda sign peace deal

U.S. President Donald Trump hails a “historic” peace agreement between Rwanda and the Democratic Republic of Congo, even as fighting continues in their war-scarred region

■ **Dec 4:** Rwanda's President **Paul Kagame** (left) and Congolese counterpart **Félix Tshisekedi** (right) sign peace deal at summit hosted by Trump in Washington DC, but clashes between Rwanda-backed **M23** rebels and Congolese army continue across mineral-rich east of DRC
